ALABAMA BAPTIST HISTORICAL

MINUTES

OF THE TWENTY-THIRD SESSION OF THE SALEM BAPTIST ASSOCIATION.

China Grove, Ala., October 5, 1861.

At 11 o'clock A. M., Brother B. A. Jackson preached the Introductory Sermon, on *Faith and its Increase*—Luke, 17th Chapter, and 5th verse: "Increase our Faith."

An hour's intermission followed, and the messengers from the Churches re-assembled in the Meeting House of Siloam Church, for organization, whilst Brother J. J. Cumbie preached at the Stand in a grove near by.

Brother A. N. Worthy, former Moderator, took the Chair, and opened the Meeting by singing the 972d Hymn, and calling on Brother J. J. Harris to lead in prayer.

Letters from the Churches were handed in, and read by brethren J. P. Nall and G. M. Dews.

On motion, suspended the regular rule, for the benefit of Shiloh Church, from which this body withdrew at her last session, because of "divisions." Satisfactory evidence being given to the body, that the divisions and difficulties in Shiloh had been amicably adjusted, said church was *unanimously* received as a component part of this Association.

Brother Worthy desiring that his name should not be run for Moderator, Brother J. J. Pitts was elected Moderator, Brother J. T. S. Park re-elected Clerk, and M. M. Dennis, Treasurer.

2d. Mount Zion (new) only reports a District Meeting, and informs the body of the time and place chosen for the District meeting next year, in the *First* District; also, that Liberty Church, near Farriorville, was agreed upon as the place to hold your next session. Respectfully submitted. J. P. NALL, Chairman.

Third District—With Good Hope Church, commencing on Friday before the fifth Sabbath in March.

Fourth District—With Lebanon Church, beginning on Friday before the fourth Sabbath in April.

Resolved That the District meetings be requested to arrange the time and place of their sessions ; and, to express the same in letters to this body, from the several churches at which said meetings are to be held.

Resolved, That the District in which this Association is to meet, each ensuing year, be requested at the district meeting to decide on the place at which the Association shall be invited to hold her session, and through the Church letter selected, intimate the same to the body.

Miscellaneous Business.

Appointed Bros. R. W. Priest, A. N. Worthy, and J. T. S. Park, a Committee to prepare a suitable obituary notice for publication in our minutes next year, of our venerable father in the Gospel, John Barnett ; who departed this life a few days since, having labored for one-fourth of a century among us, in preaching the "glorious Gospel of the blessed God."

Brother Worthy offered the following resolutions, which were adopted :

Resolved, That this Association learns with pleasure that our beloved and venerable brother, W. C. Buck, can possibly be influenced to remove the *Baptist Correspondent* within our bounds, and cast his lot among us.

Resolved, That every member of this Association will exert himself to sustain his useful journal the *Correspondent*, and Brother Buck, in his ministerial labors, should he see fit to remove among us.

More than 100 copies of the *Correspondent* were subscribed for after the passage of these resolutions.

It being reported to the body, that our sister Church (Newhope) in Butler County, is in a destitute condition, and unable to procure pastoral labor, the following ministering brethren agreed to attend said Church during the ensuing Associational year, on the *third Sabbath* and *Saturday before* in each month, viz : B. A. Jackson and Wm. Pate, in November and December ; J. T. S. Park and J. J. Pitts, in January and February ; Wm. McCarra and W. H. C. Persons, in March and April ; A. N. Worthy and Deacon G. W. Carlisle, in May ; W. E. Neil and Deacon Robert Jordan, in June and July ; R. J. Carlisle and J. P. Neil, in August and Sept.

Resolved That the Corresponding Secretary be requested to send the remainder of the minutes [illegible] *pro rata*, as each Church has sent.

Resolved, That our thanks be tendered to the citizens of Cuba Grove and the community, for the hospitality extended to the Association and visitors during the present session.

The minutes having been read and approved, the Moderator

made a few remarks respecting the harmony of the meeting, and the uncertainty of our stay upon earth to enjoy many such; after which (while a hymn was being sung) the brethren extended to each other the fraternal parting grip, showing by their warm, gushing tears, "how good and how pleasant it is for brethren to dwell together in unity."

Brother Wm. Pritchett offered the closing prayer.

J. J. PITTS, Moderator.

J. T. S. PARK, Clerk.

APPENDIX.

A.

Report on Indian Missions.

In this interesting field of labor, your Committee report that in conformity with a resolution at your last session, the Secretary of our Executive Committee opened correspondence with Brother H. F. Buckner, at Micco, Creek Nation. By Brother Buckner we had an introduction to the native Indian preachers, one of whom (Wm. McIntosh) your Committee engaged as missionary for Salem Association, at a salary of $125 per annum, which sum the Secretary agreed to send him, direct, without any tax to agents or Boards. The political agitation, and warlike demonstrations in the country, have, in our Indian Missions (like here) seriously deranged our labor; yet our Indian Brother has done efficient work in the Lord's vineyard.

In all the regions of country where our Southern missionaries have labored, the various tribes are true to the South and her institutions. Many of them have taken up arms, and gone to the assistance of our brethren in Virginia, Texas, Tennessee, &c., besides the large forces now in employment in the West.

Inasmuch as our Associational Mission has cultivated its entire field, and will, therefore, be discontinued, we would urge our brethren, if they would be *liberally* rewarded, "to devise liberal things," for the furtherance of Indian Missions. Your Committee respectfully ask the passage of the following Resolutions:

Resolved, That we earnestly advise the churches to furnish funds for the support of our Indian Missionaries, who show themselves to be true friends and helpers of this Southern Confederacy, in establishing the cause of civil and religious liberty.

Resolved, That this Association authorize to support Elder Wm. McIntosh in the Creek Nation as heretofore, and the Executive committee be authorized to employ a second native Indian preacher, and draw on our Treasurer for his support, payable in December, 1862, provided the salary shall not exceed $200.

Respectfully submitted, J. T. S. PARK, Chairman.

B.

Domestic Missions.

Your Committee feel the great necessity of keeping the subject of Domestic Missions, prominently before us, for we fear that all should be done for this good cause consistent with our other duties. We are pained to know that this object of our religious enterprise, and several others, must necessarily suffer for the time being, in common with all our religious interests, in the "hard times." But we feel constrained to acknowledge the goodness of God in all this, for that cause which God has so abundantly blessed in our past.

Respectfully submitted, W. H. C. PERKINS, Chairman.

C.

Foreign Missions.

It is with sorrow your Committee has to remind the Churches, that there is not as much doing in this department of labor, as we could wish, owing, in part, doubtless to the unsettled condition of our country, and the deranged state of our finances, caused by the blind fanaticism of our enemies, who appear to be led captive by Satan, "to work out their own destruction." Notwithstanding this, however, we know that the "Lord God, omnipotent, reigneth," and will make "the wrath of man to praise him," causing "all things" to "work together for good to those who love him."

Brethren Reid, Stone and Phillips are engaged in Africa; Hartwell, Schilling and others, in China, who, like Peter and John, it is manifest, "have been with Jesus," for the Lord is working with them. The present derangement in postal affairs hinders the successful prosecution of this interest. However, after we shall have fought and won our *second Independence*, as we are bound to do, the Lord being our helper, we confidently believe that there will be renewed efforts made to send the Gospel to the benighted heathens, who are perishing for the bread of life. All of which is submitted with respect. J. R. SILER, Chairman.

D.

Report of Executive Committee.

Your Committee, agreeably to instructions, re-engaged the services of Brother Wm. Pritchett, as Missionary and Colporteur, to labor in our bounds during the year. He has been "in labors abundant," as a summary of his Quarterly Reports will show: "Families visited for religious instruction, 682; sermons preached, 325; Sabbath Schools organized and visited, 18; Value of books sold, $161.30; Value of Books and Bibles donated, $52." As the territory embraced in our Association is now well filled with churches, and tolerably well supplied with ministers, we recommend a discontinuance of this work, and urge our ministering brethren to carry Books, Bibles, Tracts, &c., with them, on their work, and thus keep the people advised in all our benevolent enterprises. By leaving the printed page to follow up the sermon and bless truth (the spirit accompanying) to the hearts of the hearers, wonderful *helps* will be given to the living ministry. We have drawn on our Treasurer for $582.75 in favor of Brother Pritchett. The The books he vended were at his own expense, the Bible fund defraying the cost of transportation, grants, &c.

We also engaged Elder Wm. McIntosh, of Micco, Creek Nation, at a salary of $125, and shall, when we are informed of the shape it may best suit him to have funds transmitted, draw on the Treasurer for that sum.

J. T. S. PARK, Secretary. L. FREEMAN, Chairman.

E.

Bible Cause.

Your Committee are glad to be able to report that through the active labors of your Colporteu and Missionary, during the past few years, there are but few, if any, families in the bounds of this Association, destitute of the Bible. We would now recommend the body to turn their attention to the destitution among the soldiers who are now in the service of the country.

Respectfully submitted, R. W. PRIEST, Chairman.

F.

Sabbath Schools.

The Committee to whom was referred the subject of Sabbath Schools, beg leave to present the following: We regret exceedingly the indisposition on the part of the churches in this Association, to engage *heartily* in this glorious enterprize. Although more than half our churches have Sabbath Schools connected with them, yet the fact that *all* are not engaged in this branch of Christian usefulness, we regard as a deplorable omen. It is a lamentable consideration that Christians are so much inclined to excuse themselves from the several responsibilities which they owe to their children, and especially to God. We are required to

bring up our children "in the nurture and admonition of the Lord." The wise man has left us the following injunction for our example and patronage: "Train up a child in the way he should go, and when he is old he will not depart from it." Christian parents! in view of these sacred truths, it behoves us to bestir ourselves to greater diligence in discharging our duties. We would earnestly and humbly beg those who have children committed to their training, to *go with them* to the Sabbath School, catechise and teach their tender minds the things which make for their good. Respectfully submitted, G. W. CARLISLE, Chairman.
